ABOUT ME

As a Doctor of Pharmacy and the first woman to win Miss America using a science demonstration as her talent, I am committed to showing the world that science is all around us.

[FULL BIO](#)

I AM...

A Pharmacist (PharmD) pursuing a career in medical affairs/scientific communications

A science lover, advocate for women in STEM & ending stigma around substance use disorders

A dog mom, freelance photographer & 2025 bride

Most known for: winning Miss America 2020 after performing a science demonstration
